777 Tobacco Ok, this is one that may have to grow on ya a little, it did on me. I can describe this as like a 555 taste but earthier, and a little stronger like hanging around a campfire or something like that. This has turned into a favorite vape of mine.

Arctic Menthol From the frigid north comes a menthol born from the icy sub-arctic winds. Arctic Mist brings a cool blast of fresh menthol to your vape. Beware, winter is coming.

Banana Cream True tropical banana cream flavor. This flavor, like all our flavors, is diacetyl free!

Black Cherry Great black cherry taste! Good to add to other juices like cola or cheesecake.

Blue Raspberry An electrifyingly delicious raspberry tart that'll make you think one thing; "Shocking".

Shock

Blue Voltage Its electric! And tasty! Dew drop and blueberry. Mm-mm good.
